Thanks David. I appreciate that.

FYI, we have been asked by United Govt. Affairs (Tom Michels) to come up with a letter to send to Cantwell, Graves, Cruz and Larsen and these local federal folks about FAA Reauthorization:

1. Congresswoman Eleanor Holmes Norton (D-DC)
2. Mark Warner, US Senator, VA
3. Tim Kaine, US Senator, VA
4. Don Beyer, US House, VA
5. Jennifer Wexton, US House, VA
6. Ben Cardin, US Senate, MD
7. Chris Van Hollin, US Senate, MD
8. Andrew P. Harris (R), 1st Congressional District
9. C. A. Dutch Ruppersberger III (D), 2nd Congressional District
10. John P. Sarbanes (D), 3rd Congressional District
11. Glenn F. Ivey (D), 4th Congressional District
12. Steny H. Hoyer (D), 5th Congressional District
13. David Trone (D), 6th Congressional District
14. Kweisi Mfume (D), 7th Congressional District
15. Jamin B. (Jamie) Raskin (D), 8th Congressional District
16. Joe Manchin, US Senate, WV
17. Shelley Moore Caputo, US Senate, WV

Aside: As you and Rob and Maria probably know, we are going through a bit of ramp up here at the WATF. I am asking for more items such as press contact lists as well as federal/state/local elected contacts and what I've gotten back is quite old and not useful. We seem to be inventing the same wheel over and over again.

If it isn't too much to ask, could you provide the email addresses for the above folks to me? It would truly be appreciated and help us get this out faster.

FYI, I've attached what we would plan on sending. Any comments would be appreciated as well. Pretty standard stuff. Jack's comments yesterday on the subject hit with the right tone, trajectory and message!

Cheers and thanks,
Mark

Hey guys...nice coverage from yesterday's Board meeting regarding slots/perimeter.

Did you release a statement that we could get a copy of?

I have your background piece (attached) which is great.

Thanks,
Mark
