Hi Sophia,

Great to meet you as well! I'm sliding Grace and Kate to bcc to spare their inboxes.

I'd be happy to chat about the letter MWAA is working on and also answer any questions you might have about the slot/perimeter rule and DCA operations. I am widely available to chat tomorrow (Friday) and would also be happy to share my availability next week.

Look forward to connecting on this topic and appreciate your support!

Maria

Hey Sophia,

Thank you for reaching out! We are glad to have your boss on board. Maria from MWAA, National's airport authority, is helping lead a letter in opposition to changes to existing slot and perimeter rules. I've copied her on this email—she should have more info on its progress for you! Please keep me in the loop if you have any more questions or need anything.

Thanks,

Hi Grace,

I hope you've had a good week so far! Thank you for sending the update about the change to horrent high density and perimeter rules at Reagan. I noticed that an airport in our district (Huntsville) would be impacted by these changes as well. What are the next steps in voicing this opposition? Is there proposed legislation, or a letter circulating around? Let me know – I believe this is something that our office would be interested in. Keep me posted!

Best,  
Sophia
