Thank you, Maria. I did a deep dive in person mtg with the COS and Abigail on 5/26 and have been sending them updated materials. Will let you know when Bost drops the dear colleague.

Hi All,

I wanted to let you know that I chatted with Abigail Michos in Rep. Rouzer's office this afternoon. She informed me that she will be meeting with Delta later today and wanted to make sure she was well versed as to why the slot/perimeter rule should remain intact.

Maura/Erik – If you haven't previously made contact with the Rouzer office, it sounds like he leans supportive which will be helpful given his seat on T&I.

Let me know when the Bost office drops the letter and I can connect those staff we've been in contact with over the last few weeks, know who to contact about signing the letter.
